

I listen to "KLOVE" radio over the translator that broadcasts on 91.9 FM. But it is the only radio station I can receive clearly that plays contemporary Christian music... the only Christian station I can get my teenager to listen to.

If K-LOVE were displaced by a Low Power FM station that didn't play contemporary Christian music, the spiritual life of my kid and myself would suffer.

It is extremely important in these days of terrorist threats and security alerts and bad news from Iraq, that we here in Sunnyvale have a station to listen to that provides a "positive, encouraging" message, as their slogan says.

Please do not expand the currently adequate LPFM policy. Thank you.
